Prom Time ...

A thousand dreams and plans melted into one unforgettable evening. Under a canopy of stars, the couples danced to soft music. Along the sides a myriad of stars against a background of blue conveyed the theme, "Stardust." A sparkling, miniature waterfall cascading over a bank of greenery in the center of the dance floor added a touch of reality to the ethereal effect. Thus the months of planning and the final hectic week of actually decorating the Coliseum were brought to a pleasing climax.

Homecoming 1952

The Big day arrived at last — the parade with many beautiful floats moved slowly down the street bringing gasps of wonder and delight from the crowd. That evening preceding the game, lovely Queen Pat Alsop was crowned by Mr. L. V. Phillips, Indiana State Commissioner of Athletics. The Alices added their contribution to a perfect day by defeating Princeton. Following the game, the traditional sock-hop was held at the Coliseum. Our sixth annual Homecoming Day passed into history.

Seniors

This year presented no adjustment problems, except, possibly those of crowding more and more activity into less and less time. For this year was our turn to assume leadership of most of the clubs and organizations of the school. We endeavored to set good examples for the underclassmen and establish a reputation that we would be proud to leave behind us. It was strange, however, to think of leaving Lincoln High School. As the athletic seasons closed we realized that never again would we sing our high school song as a member of the student body or play another game for the coach. The march down the Coliseum aisle at Commencement left us with a happy feeling of accomplishment lessened by a warm nostalgia for old Lincoln High School.

Juniors

Class rings, basketball concessions, class officers for the first time, the Prom—those are the Juniors' exclusive possessions.

Organization of the class laid the foundation for this year of exciting activity. After several whirlwind days of nominations and votings the class officers were chosen. Next the class sponsors, in whose hands most of the responsibility falls, were selected.

When a Junior receives his class ring, he feels that he is truly a part of Lincoln High School.

Also, during this year the class makes its first bid to glory and recognition in the form of the Prom. A successful season selling refreshments at the basketball games yields a most gratifying result in this gala occasion. We proudly claim the honor of having the most beautiful prom. Thus this year closes with a pleasant memory of a delightful evening.

Freshmen

High school meant the beginning of an entirely new world for us—a world at first characterized by endless halls, new teachers, strange faces and confusion in general. Some of us loved it from the start, others took more time to become acquainted. We were helped by Mr. Schulte, who served as our counselor. Gradually we learned to save steps between classes by becoming familiar with the building. Teachers and all those faces became definite personalities, and today we eagerly look forward to being here next year.

Band

DIRECTORS: Mr. Robert Carr, Director and Mr. Joseph Hary, Assistant Director.

This year the band was divided into two separate units, a marching band and a concert band. This arrangement enabled each band to perfect its performance. The marching band, consisting of 67 members, plays for football and basketball games. The concert band, composed of 49 members, participates in convocation programs and presents the annual band concert each spring. Last year's efforts to raise money were well rewarded with the new uniforms purchased this fall. Everyone enjoyed the Gene Autry show which the band brought to Vincennes. Mr. Carr and Mr. Hary work untiringly with this group to produce a musical organization of which any high school can be justly proud.

A committee of senior members selects the most promising students from candidates at try-outs held in September. In the spring, Thespians, persons with a specified number of lines in previous productions, are initiated into the National Club and each year from this group, two best Thespians are selected and given special awards for their outstanding work in dramatics.

A SCENE FROM "JANIE"

Each year two full-length productions are presented as well as a one-act play for convocation. This keeps the members busy throughout the year. Choosing plays, selecting casts, much rehearsing, constructing sets, and innumerable other tasks of the players are rewarded on opening night when the play is presented. Of course all this could not have been accomplished without the untiring efforts of Miss Elwood Miller. Pictured above is a scene from the fall production, a three-act comedy, "Janie." Below is pictured the basic set for last spring's play, "I Remember Mama." This play required twenty-two scene changes, which made it one of the most difficult productions ever attempted by Lincoln Play Shop.

Future Teachers of America

CADET TEACHER IN ACTION

The L. V. Eikenberry Future Teachers of America Club is the newest addition to our extra-curricular activities. Membership is limited to Juniors and Seniors interested in becoming teachers. One of the most helpful and interesting phases of their program is cadet teaching. This plan enables the high school student to help teach in one of the local kindergartens or grade schools under the supervision of the teacher. Cadet teaching enables the student to definitely decide if he wishes to pursue the teaching profession by actually taking part in the classroom as well as offering him invaluable experience. Officers of the club are Lois Hebert, President; Mary Stone, Secretary; and Claudia Tolbert, Treasurer.

F. O. A.

The F.O.A. Club helps to boost morale of former members of Lincoln High who are now serving in the Armed Forces by sending them the Old Post Sentinels to keep them informed on the events here at school. They also prepare and send Christmas boxes to them. The club has the responsibility of supplying the various rooms with flags, and sponsoring other patriotic functions. This year the club is sponsored by Mr. Herbert Adams, and a new member of our factulty, Miss Marie Risch.

This club is organized to help freshman girls get a better start in high school. A "big sister" from the Sponsors Club is assigned to each five girls. She assists her group by acting as counselor and advisor for their various problems. Throughout the year, parties are held with entertainment being provided either by members of Sponsors or their freshmen. These parties are always enjoyed, as they afford an opportunity to get better acquainted and to exchange ideas and confidences. Members are chosen on the basis of scholarship, good school citizenship, and leadership. In the spring the club votes for the outstanding freshman girl and she is presented with an award at commencement.

To "radiate cheer among members and associates" is the principal aim of the Good Cheer Club. To help carry out their motto, informal notes in the name of Lincoln High School, are sent to the sick and to bereaved families. This group is under the helpful guidance of Miss Helen Schwartz.

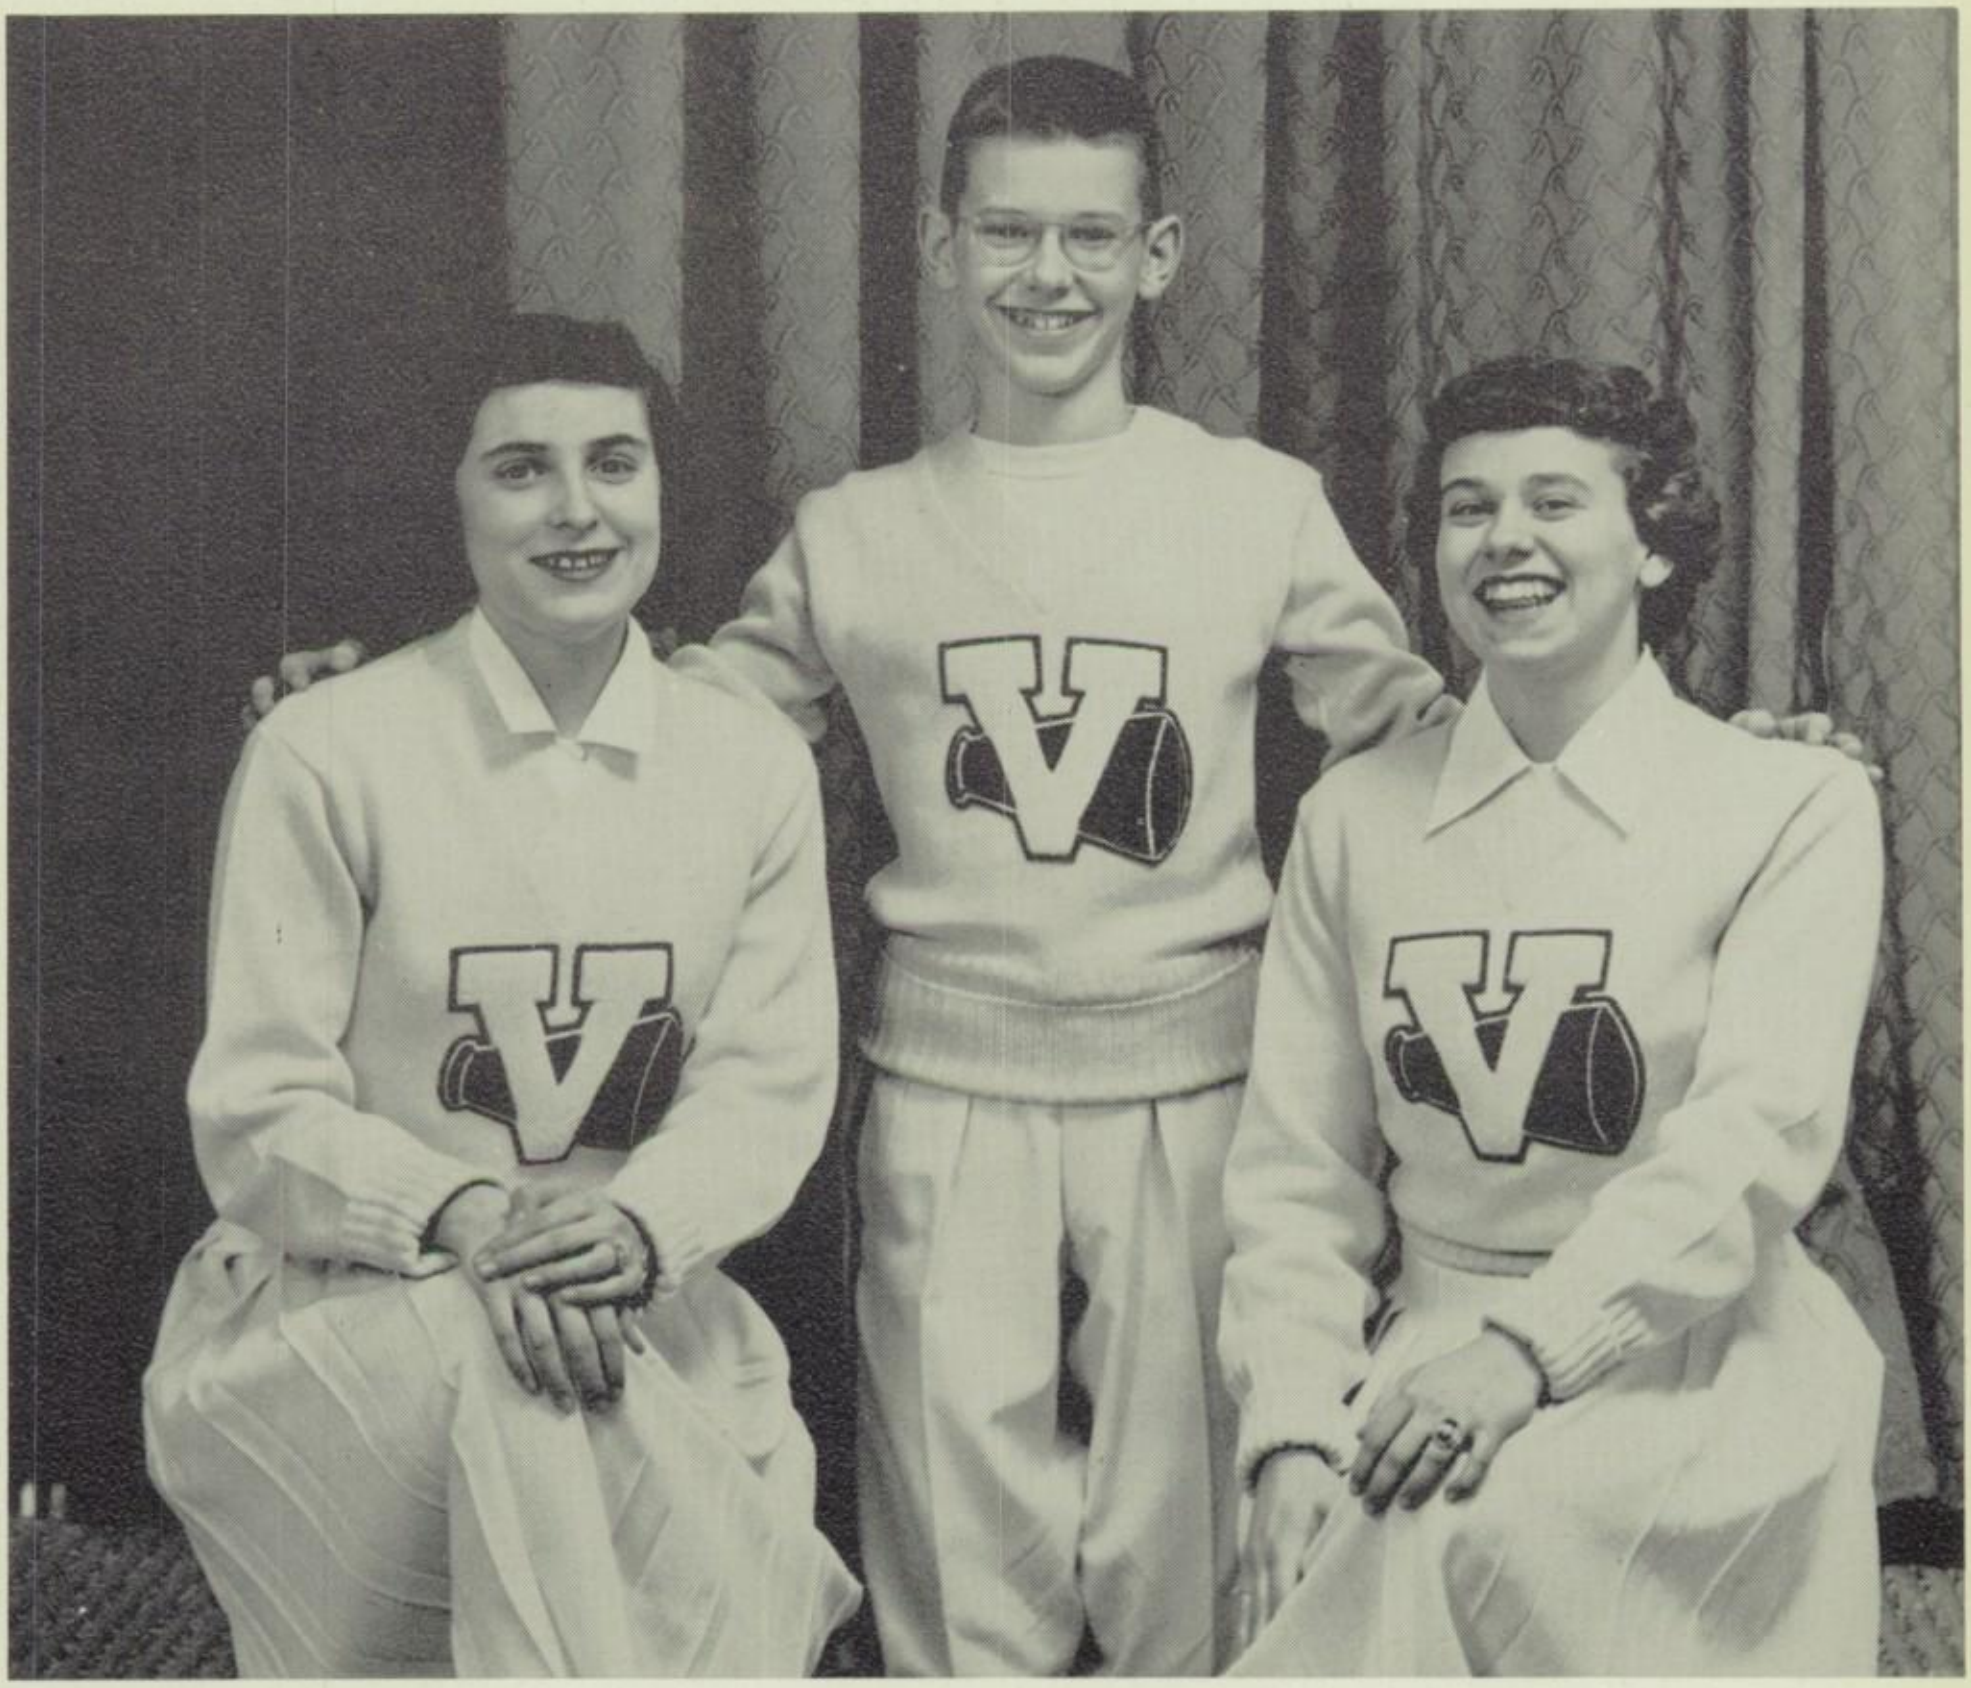
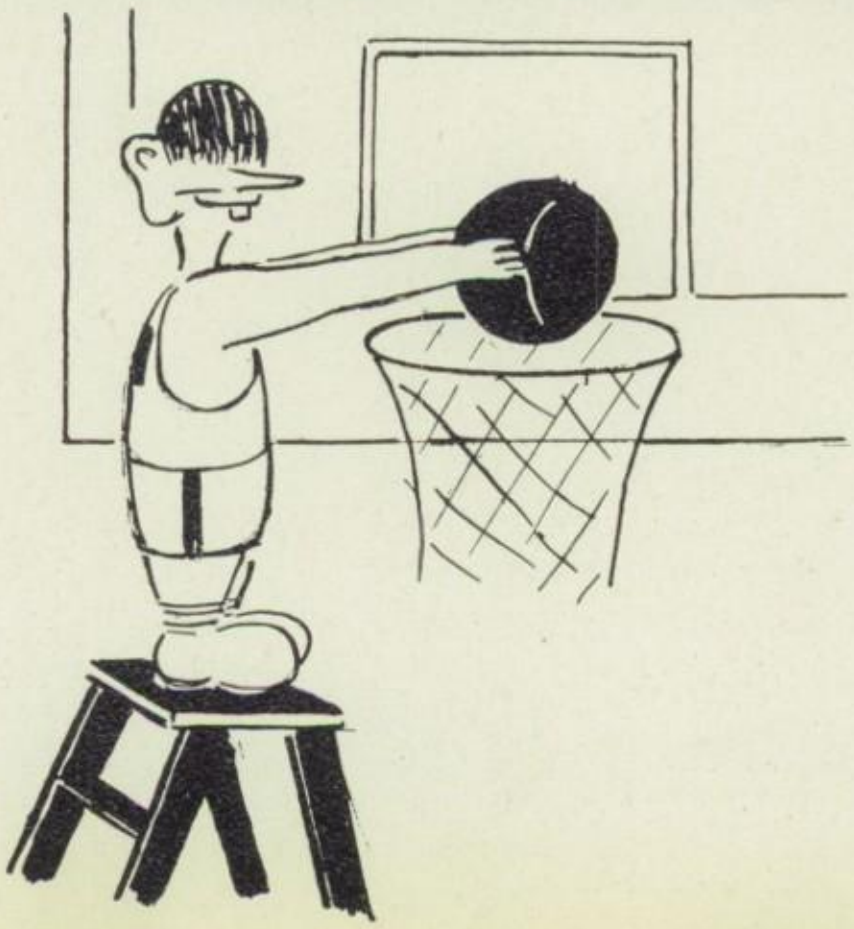
Athletics



Cheer Leaders



Erma Kehl, David Von Behren, and Virginia O'Neill.

Athletics

. . . Football, Cross-Country, Basketball, Track, Golf, Baseball. Yes, these are the sports that are participated in by Lincoln High's athletes. Needless to say, the main object of this section of our curriculum is to build, strengthen, and condition the human body; but at the same time other objectives are being sought. Character, sportsmanship, working habits, and physical endurance are developed. Sometimes in the frenzy of the actual games, these points are overlooked in the cheers of the crowd and the shrill whistles of the officials.

Athletic Administration

IRVIN MARUTZ—Business Manager

As Business Manager of Athletics, Mr. Irvin Marutz performs many of the "behind the scenes" jobs so vital to an efficiently-operated athletic department. Ordering athletic equipment; contracting opponents several years in advance, securing refereees; selling tickets; reserving seats; ordering trophies, letters, and sweaters for the athletes; making all the arrangements for the Sectional and Regional tournaments—these are only a few of the many jobs confronting Mr. Marutz.

Although this work takes up much of each day, Mr. Marutz also teaches algebra and trigonometry. An office staff of five students aid him in selling tickets and handling office calls.

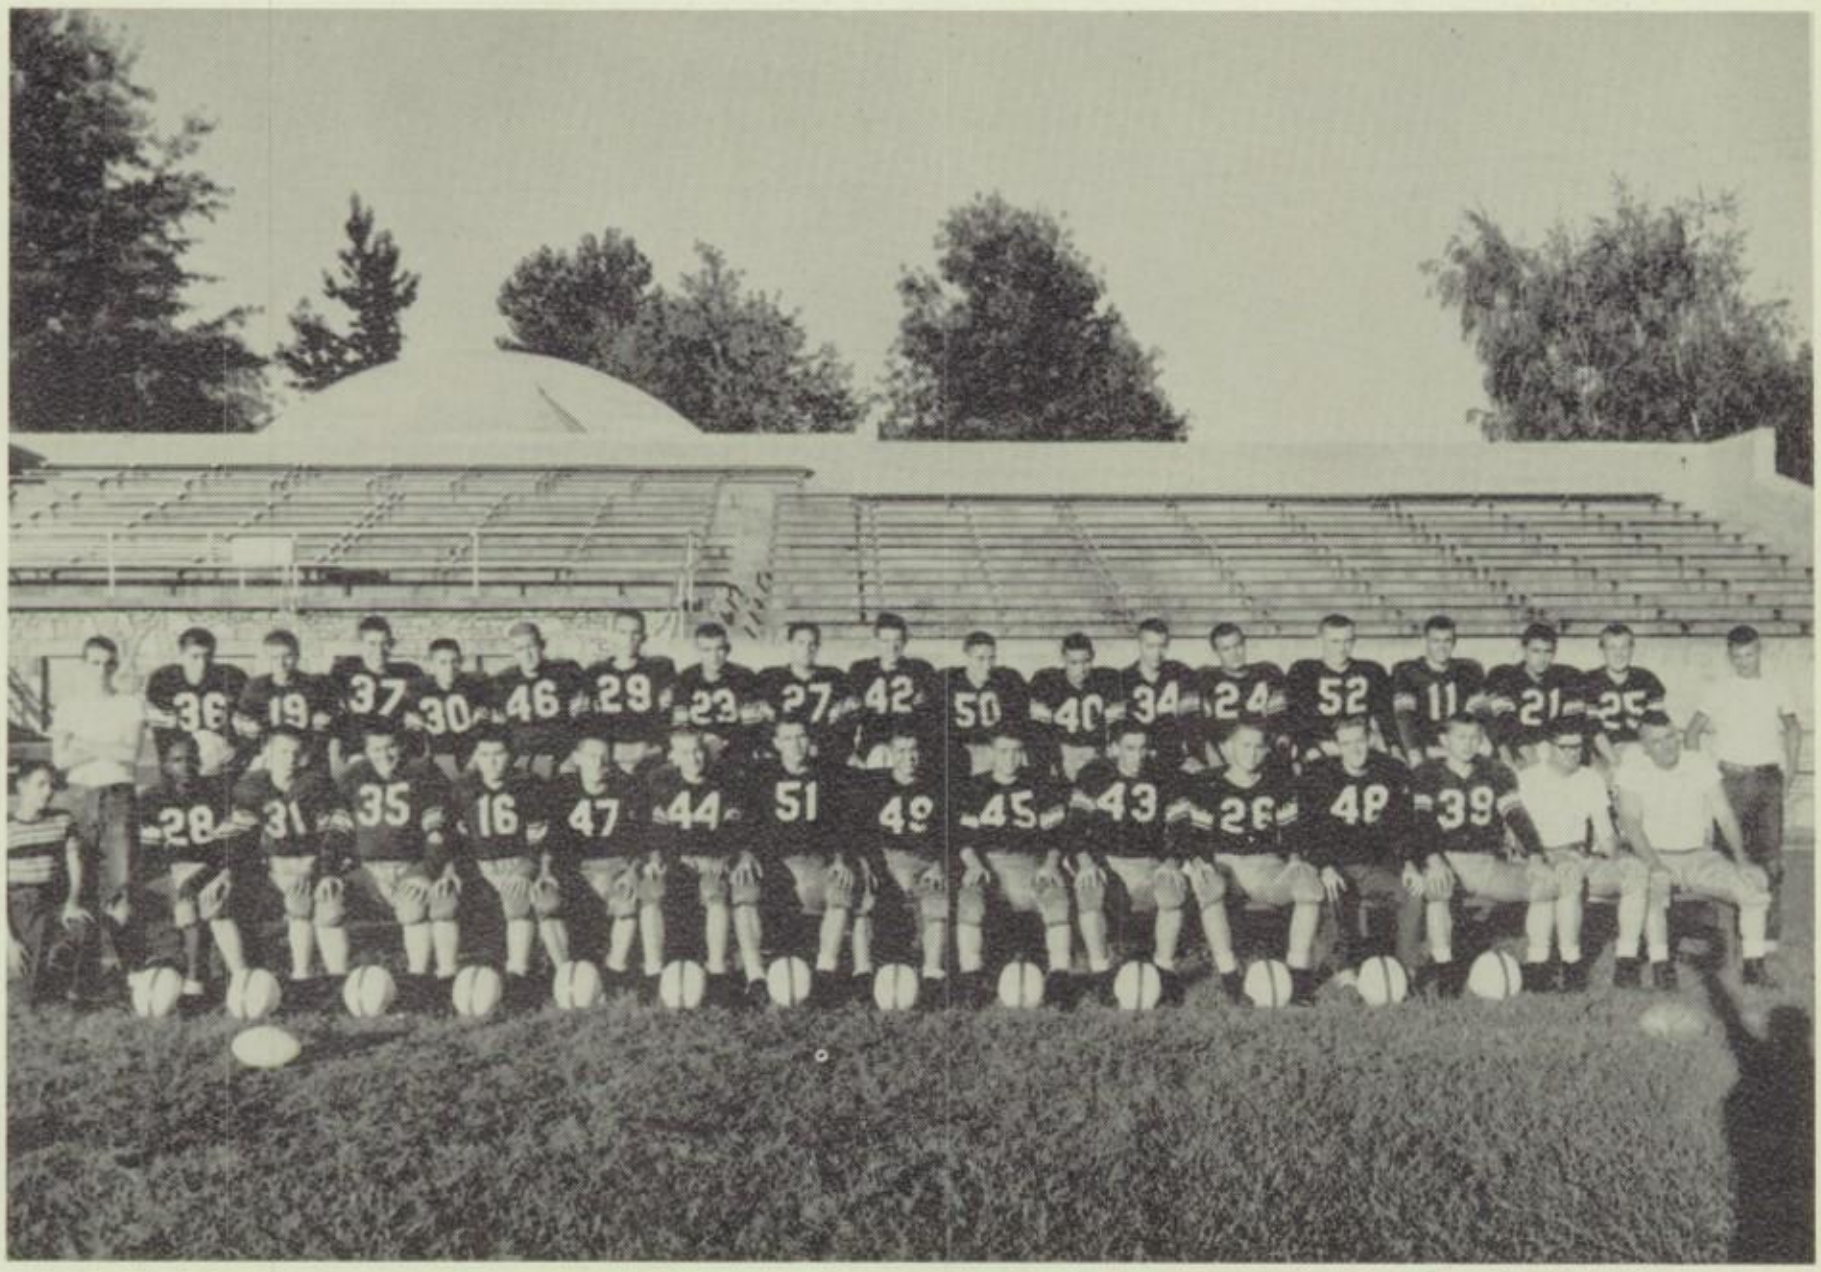
Such a large athletic department as Lincoln High School's could not possibly be maintained without the competent administration of Mr. Marutz.

JOHN L. ADAMS—Athletic Director

Mr. John L. Adams has served as Athletic Director of Lincoln High School since 1920, when he became basketball coach. During Mr. Adams' administration and partly due to his recommendation, baseball, football, track, cross-country, and golf were started in Lincoln High School. His present jobs are seeing that the coliseum and football field are ready for the games, serving as a scorekeeper at the out-of-town games, and coaching the golf team.

Mr. Adams invented and holds the copyright for an official score book used all over the United States and in some foreign lands.

Lincoln High School is indeed fortunate in having such a talented and well-informed person on her athletic staff.



1952 Football Squad

To start off the 1952 football season the Alices defeated Wiley of Terre Haute at Terre Haute by a score of 24 to 20. For their next game the Alices traveled to Robinson, Illinois, to hand them a defeat of 13 to 6.

With two victories already under their belt, the Alices found a third when they met the Princeton Tigers here on September 26, Homecoming Day. The final score was 19 to 13 in favor of the Alices.

These victories were followed by a heart-breaker when the Alices traveled to Central of Evansville to be beaten. The final score was Central 21, Alices 20.

The following week the Alices dropped another to the Washington Hatchets. Score: 33-25.

With a record now of 3 wins and 2 losses, the Alices came back strong to romp over New Albany 25-6. Next on the schedule was Bloomington. With Bloomington playing good ball all the way, the Alices still came out on the good side with 25 points to Bloomington's 6.

Next came the upset of the season with the Alices losing to an inspired, hard playing Sullivan eleven by a score of Sullivan 34, Vincennes 20.

Traveling to Reitz of Evansville, the Alices suffered their fourth and last defeat of the season. Final score: 34-13.

Finally on Armistice Day, November 11, Coach George Inman's fightin' Alices played their last game of the 1952 season. Meeting the Bicknell Bulldogs in an afternoon game, the Alices just wouldn't be beaten by the Bulldogs. Final score was Vincennes Alices 39, the Bicknell Bulldogs 0.

In the '52 season the Alices out-scored their opponents by 41 points. The Alices made a total of 214 points, while their opponents made but 173.

Special Honors

Lincoln High School was indeed proud and honored to have two of her football players named to positions on outstanding teams. Don Burton, who played guard with the Alices, received the following honors: All-State, first team; All-Valley; All-S.I.A.C.; and Honorable Mention for All-American high school football team. Dick Fox, the right end of this year's squad, was named to these teams: All-State, second team; All-Valley; and All-S.I.A.C. Coach George Inman had earlier named these two boys as the most likely to succeed in college football.

"B" Team

First row, left to right: John Bedford, Charles Walton, Bryan McCarter, Robert Burton, Ronnie Brown, Gerald Kimmons, Bob Allen, John Karp, Jack Hert, Tony Cardinal, Eddie Taylor, Ray McCormick, Ricky Johnson, Larry Madison, Mr. Conrad. Second row, left to right: Mr. Francis, Joe Goebels, Larry Cain, Don Abel, Paul Hendrixson, Jack Morgan, John McKee, Donald Roderick, David Lane, Bill Kimmell, Jack Dale, and Mr. Finke.

Kneeling, left to right: Larry Claycomb, Frank Kehl, Tom Pitts, Gaylord Cannon, Don Satterfield, John Staley. Standing, left to right: Assistant Coach Oscar Finke, Lanny Osterhage, Dick Fox, Charles Parker, John Korb, Norbert Johnson, Marvin Sweeney, Harvey Nash, and Coach Chet Francis.

1952-53 Basketball Team

Our Lincoln High basketball team started slowly, losing the first three games, but rallied by winning the next five.

The first defeat was handed by Gerstmeyer of Terre Haute. The second loss was at the hands of our old rival, Washington. After a nip and tuck battle all the way, the gun ended with Washington ahead by three points. Next we traveled to Jeffersonville and were given our third defeat, 60 to 47.

At this point, Coach Chet Francis found his winning combination. They quickly proved their ability by beating Bedford, Sullivan, New Albany, Bicknell, and Terre Haute Garfield. These victories put us in the winning column with a record of five wins and three losses. Other teams had greater respect for us and regarded Vincennes as one of the powerhouses of southern Indiana.

In the Holiday Tournament the Alices lost the first game to a strong Huntingburg team. The consolation game resulted in another defeat by Washington, 55 to 49.

Jasper gave us a heartbreaker by winning 58 to 56. A trip to Madison resulted in our sixth win, 66 to 54. For three quarters Chet's men kept up with high-ranking Evansville Central. Evansville's superior height came through in the last period and they won, 67-57.

The Alices showed how much they had improved by taking a decisive victory from Washington, 58 to 47. From across the Wabash came the Lawrenceville Indians. Our Alices had revenge by handing them an eighteen-point defeat. High-ranking and defending State Champion, Muncie Central, gave us our worst beating. Our team showed their courage by holding them to a one point lead at the half.

A well-balanced Bloomington five gave us another loss. It took an overtime for Jasper to repeat its first victory. Both squads played better ball but Jasper finally subdued the Alices, 59-57.

Although the 52-53 season of Lincoln High basketball was on and off, the Alices faced one of the toughest schedules of any team in the state, losing only to top-rate squads.

COACH CHET FRANCIS

"That team is coached by Chet Francis——" this phrase brings to your mind's eye a mental picture of a bunch of snappy, hard-playing, fast-moving basketball players who never give up. This is "Chet's" sixth year at guiding and training our basketball team. In addition to his work with this team, Mr. Francis is on the staff of football coaches, is our head baseball coach, and also teaches safety.

OSCAR FINKE

Mr. Oscar Finke is the proud coach of Lincoln High School's successful B-team. Due to "Oz-zie's" expert guidance, his boys had a very good season. This year the Little Alices gained valuable experience by playing with the Varsity.
This is Mr. Finke's fourth season as assistant coach. Each year his team has been a group of alert, hustling ball-hawks. We hope Oscar has many more successful seasons at Lincoln High.

The V.H.S. harriers had another successful season this year, winning five dual meets and losing one. This year they won the Indian Relays at Lawrenceville, Illinois, and repeated their victory in the Old Post Relays. In other big relay meets Vincennes was consistently among the top scorers. Going to State Meet in track is somewhat like the basketball tournies, only in track there is no semi-final. To run in the Regionals, a team must place in the Sectionals and so forth.

The first four men of each race qualify in the Sectional and Regional. In the State the first five men place.

This year seven boys qualified in the Sectional. They were: Ted Snyder, Wayne Kirk, Larry Couch, John Nierste, Bob Hansen, Bill Johnson, and John Korb. Two of these boys qualified for the State Meet. Ted Snyder in the mile run and Larry Couch in the half-mile race. They finished seventh in their respective races.

The Seniors on the team this year were Ted Snyder, Roy Pruitt, Jim Boyd, Charles "Chuck" Tolson, and John Baker.

Cross Country

"Mac" McCormack's Alice harriers turned in another fine record this season. Having a large turnout of boys at the beginning of the season, he developed them into another winning team.

Once again the harriers went through their season without being defeated in dual meets. This lengthened their total to 127 wins out of 133 starts.

On October 14, 1952, Vincennes participated in the S.I.A.C., and for the seventh year in a row, captured the title of S.I.A.C. Champs.

On October 21, they defended their sectional championship which they also won for the seventh consecutive year. This victory entitled them to go to the state meet at Indianapolis in which they took fourth place.

The graduating seniors this year were Larry Couch, John Nierste, Bob Hansen, Jim Turner, and Arnold Stein, Student Manager.

1952 Baseball Team

The Lincoln High School baseball team knocked off four opponents and lost five encounters in regular season play. This was the third season for the old American sport to be played by our school.

An outstanding event was the formation for the first time of an S.I.A.C. baseball round-robin tournament, with Jasper, New Albany, Washington, Princeton, Huntingburg, Tell City, Evansville Central, and Vincennes participating. The Alice crew brought recognition upon V.H.S. by avenging earlier defeats of the season. They advanced to the Semi-final by walking over Washington and Princeton, only to tumble to the coming-up champs, Tell City, in an afternoon game at Braves Field in Evansville.

The Alice golf team, in its third year of competition, came through with an outstanding record by spanking ten teams, while dropping but one. This team, coached by John L. Adams, won six dual meets and two triangular get-togethers. Losing the first meet of their season at the hands of Robinson, the squad came back to revenge this lonely loss by subduing the same outfit in a triangle meet a month later.

Although being in rough company, the Adamsmen managed to come up with a meritable third place in the annual S.I.A.C. meet.

Sixteen teams were entered in the Sectional meet with the three highest squads going on to Indianapolis for the Finals. Again the V.H.S. golf team proved themselves capable stick-men with a first place tie.

They couldn't seem to play their usual game at the Finals, but all in all, it was a season of which to be proud for such a young team.
